

Dear Ministry Partners,

Our fall on the mountain has been strangely silent...no sounds of horseshoes and gunfire at the men's retreat...no smells from yummy food as we prep for ladies retreats. Even the turkeys are missing this year! All in all, we have taken these last couple of months to reflect on what the Lord has given us and the time He has given us to recoup from a very busy six years!

Projects are getting done, literature is getting developed, but we are ready to open back up! We miss the kids and can't wait to see a little bit of "normal" up here. Pray with us as we try to figure out all the details of getting kids up here this winter. Extra cleaning, masks, and limitations on numbers are just the beginning.

We would also ask for prayer in finding help this winter. Since we have said good-bye to our ministry partners Scott and Tina, we are left with big shoes to fill. They were so skilled in their fields that finding replacements have been very difficult. But the Lord knows what we need and we just need to get the word out to His people. Kitchen help is the biggest need at this point. Tina was an amazing head cook and even though I will try to fill that particular set of shoes, I will need lots of help to do it! Prep cooks, bakers, and dishwashers are also needed as our teenagers have grown up and gotten jobs. Justin will need help with snow removal as well as driving during sledding events.

Lilli is growing up fast and will become a big sister in April Lord willing. We have had difficulty with our pregnancies before and we ask for prayer during the long winter months. (especially working in the kitchen all winter!)

Pray with us as we continue to "tell it on the mountain!"

~Justin, Eliza, Lilli & Katherine

September 2020

Major cleaning projects!
