

Dear Friends:

January 2019

January has been a full month with our Middle school and High School Arctic blast weekends followed by 2 of 6 rental retreats. We are thankful for plenty of snow and for all of our volunteers that have made these weekend events happen!

Mountain life has been non-stop busy with keeping up with snow events and preparing the lodge each week for the next weekend. We will host 4 more rental retreats and end the winter ministry season with our final Arctic Blast weekend for our grade school kids.

Thank you for your continued support of finances and prayer. It is important that we continue to seek the Lord and His blessing on the work of reaching boys and girls with the gospel of Jesus. Kids are hungry for the goodness of God. Pray that they learn to seek Him with all their heart.

Blessings to you, our friends and ministry partners. We greatly appreciate you and ask God's blessing upon each of you as well. Continuing to,

"Go Tell It On The Mountain"
