

Dear Ministry Partner:

June 2019

Memorial Weekend was a huge success and blessing. We are thanking God for sending around 70 folks to help us clean, split wood, repair equipment, install a new heater (donated), tend the garden beds, ground excavation, put winter away and dig out summer stuff, and get the new bus cleaned and ready for paint!

Did you catch that..... A NEW BUS! Blueberry Mountain was gifted its own bus this spring!! We serve an awesome God!! Kids will continue to be bussed to the State Park daily for swimming and Teen Week will continue to adventure together. We are so very thankful for this most generous gift and for those who will help maintain it and drive it, and all so that boys and girls might come to know Jesus and set their hope in God.

We are thankful for Bill Taylor of Beans Corner Baptist who has recently retired and has set out to do short term missions adventures. Bill spent the entire month of May with us fixing things and organizing the maintenance room (huge project!!). So many projects on our immense list of things needed doing have been crossed off.... Thank you Bill! And thank you Lord for sending helpers, supporters, prayer partners and a bus!!

Please pray with us as we ask God to send another male counselor for a boys cabin. This could be one, two or three different people as there are three weeks of Junior Camp. Pray also for 150 campers which would mean every bed is filled.

Again, thankfulness is foremost on our hearts. Thank you, our ministry partners for your faithfulness as we continue to *“Go Tell It On Blueberry Mountain”*
