

Camp Good News Coronavirus Guidelines 2021:

Sections:

1. Before Arrival
2. Checkin
3. Sleeping Arrangements
4. Cleaning/Disinfecting
5. Sickness
6. Counselor Duties
7. Activities

Section 1. Before Arrival

1. Camp will provide camp guidelines to parents/and or guardians prior to arrival at camp
2. Camp will send a screening form for each camper/and or staff member who will be attending camp prior to the start of camp, and ask that camper/staff arrive with the form filled out that day.
3. If you or anyone in your household has exhibited any flu-like symptoms or had a fever of 100.4°F or greater, Camp respectfully asks that you do not come. If you are interested in rescheduling for a later date, depending on availability, please contact Camp.
 - If you desire to return to Camp at a later date, you will have to wait 2 weeks or provide a negative covid test result.
4. If a camper comes that does not have a screening form filled out, we will have extras available, to be filled out immediately upon arrival.
5. If a camper or staff member cannot wear a mask due to a medical condition, we ask that they arrive with a note from their primary care physician, in hand.

Section 2. Check in

1. Upon arrival, campers and staff will have their temperature checked and if it is 100.4°F or higher, they will be asked to leave immediately.
2. During our registration process, we ask that families remain 6ft. apart and please wear masks at all times during the process.
3. Campers and staff will check in first with our screening form both, and if they have not filled out that sheet, do so then.
4. From there campers and staff will proceed to the registration booth and find out their sleeping arrangements, and pick up their name tags, and camp good news mask.
5. Campers/Staff will then proceed to the camp nurse booth, where they will have their head checked for lice, as well as turn over any medication they need for the weekend.

Section 3. Sleeping Arrangements/Cabin Groups

1. Sleeping arrangements will be spaced when possible to accommodate the 6ft rule, but when that is not possible, campers and staff will be slept head to toe to allow for distance between heads.
2. Cabin groups will do activities with their cabin only, unless otherwise instructed by the Camp or Program directors.

Section 4. Cleaning/Disinfection

- Bathroom Facilities
 1. Bathroom Facilities will have a cleaning and disinfection schedule where they will be cleaned and disinfected (x) amount of times during the day, with the schedule posted in the bathrooms.
 2. Once the bathroom has been cleaned and disinfected, the person in charge of cleaning will initial the cleaning log, along with providing the date and time the bathroom was cleaned.
 3. The person(s) in charge of cleaning will make sure that cleaners and disinfectants will be used correctly to insure things have been properly cleaned and disinfected.
- Dining Hall
 1. Tables and chairs will be sanitized before and after every meal by our wait staff.
 2. Frequently touched items/surfaces (ie. countertops, door handles, fridge handles, window sills, etc.) will be disinfected daily, (x) times a day, with food grade disinfectant/sanitizer.
 3. Once the frequently touched surfaces have been cleaned and disinfected, the person in charge of cleaning will initial the cleaning log, along with providing the date and time the surfaces were cleaned.
- Camp Equipment
 1. All equipment used by campers or staff will be disinfected between cabin group uses.
 2. The person(s) who disinfects the equipment will initial the cleaning log, and provide date and time of disinfection.
 3. Cabin groups will have specific times to use certain equipment/activities (ie. pingpong, air hockey, foosball) and will be sanitized between cabin group uses.
- Transportation
 1. Our vans will be disinfected between cabin group uses. The person(s) responsible for cleaning the van will fill out the cleaning log for the vehicle (ie. name, date, and time)
- Cabins
 1. Frequently touched surfaces in cabins will be disinfected once per day by camp personnel.
 2. If the cabin has a bathroom, the bathroom will be cleaned and disinfected once per day by camp personnel.

3. Upon completion of cleaning the cabin and bathroom, the camp person in charge of cleaning will initial the cleaning log, and write the time and date.

Section 5. Sickness

1. Daily health screenings will take place after breakfast, with every camper and staff having their temperature checked.
2. If a person is identified with flu-like symptoms, they will be separated and quarantined from the rest of the group.
3. If it is determined they have a fever of 100.4°F or greater, they will be sent home, with the request that the parents test for coronavirus at their earliest convenience, if deemed necessary.
4. If a child is exhibiting flu-like symptoms, but does not have a fever, Camp staff will follow the camp health care professionals recommendation as to whether they should stay or go home.
5. Camp staff will contact all parents/and or guardians who have children at camp to let them know a child was sent home due to illness. Parents/Guardians will be given the option to pick up their child or have them continue in the program.
6. For further information, please see our Camp Communicable Disease plan for more information.

Section 6. Counselor Duties

1. Counselors will be responsible for keeping track of their children at all times, as well as encouraging proper hygiene and safe practices to prevent the spread.
2. During meals, Counselors will be the only people allowed to serve food during the meal, as well as clearing and cleaning the table.
3. Counselors will be responsible to remind their campers to make sure they have their masks with them at all times, and to encourage them to socially distance themselves with other cabin groups.

Section 7. Activities

1. For all activities other than meals or when in your sleeping quarters, all will be required to wear masks at all times.
2. Activities, as much as is possible, will be conducted with individual cabin groups. When not possible, campers and staff will be asked to wear masks when closer than 6 feet with other cabin groups.
3. When traveling in camp transportation, we ask that campers and staff wear masks inside of vehicles at all times, unless unable to for a medical reason.

Section 8. Visitors

1. During the duration of the camp session, visitors will not be permitted unless essential to camp operations.

Mandatory areas/groups for masks:

- Registration Line
- Dining Hall Bathrooms (not cabin bathrooms)
- Food Service
- Nurses Station
- Visitors to the office
-
