

Dear Ministry Partners,

December 2020

We have much to be thankful for this Christmas season on the mountain! A wonderful Savior, a warm lodge, family, good friends, and dedicated support partners that have richly blessed this ministry.

We sent out a newsletter telling you of our needs and you rose to the challenge! Our “Send a child to camp for Christmas” fund is full and there will be many happy children who will be able to stay with us because of it. This is a blessing to so many of our families that are struggling with buying Christmas gifts. How wonderful to be able to “wrap” a weekend of snowy fun!

We are also thankful for those of you who steadily support this ministry through monthly support and prayer. You are the reason we get to keep doing what the Lord has commanded us to do...to “tell it on the mountain!”

We pray the Lord will bless you and yours during this holiday month!

~Justin, Eliza, Lilli & Katherine
