

January -2023

Dear Friends of *Camp Good News*,

Happy New Year from *Camp Good News*!!! As many of you know we have a new Camp Director who started January 1<sup>st</sup>. Jeremy Brown was approved last year by our Camp Committee and State Board to replace Roger Labbe as Camp Director. Roger has stepped into an ambassador type role. He will continue with Camp Good News and *Child Evangelism Fellowship* of Maine. As the Lord leads, he will meet with pastors, volunteers, and churches to bring more awareness of our ministry to children. Some people and churches have never heard of Camp Good News. We are looking forward and anticipating more volunteers and even donors who love the Lord and want to extend themselves in service to the Lord.

We have all gotten back from Christmas break and look forward to what the Lord will be doing this new year. One thing is for sure, the ministry God has called us to has not changed. Psalm 78:6-7 says, *“That the generation to come might know them, the children who would be born, that they may arise and declare them to their children, That they may set their hope in God, And not forget the works of God, But keep His commandments.”*

I want to thank you for supporting camp whether through prayer or financial support. Your sacrifice is for the children, so they may hear the greatest message ever. Soon many children will be here for our weekends. Please be in prayer for them as they hear about Jesus; pray that their hearts would hear this message. Pray for snow and cold weather to have our winter activities.

Thank you once again for your giving so we can share with the children. I look forward to updating you folks each month with ministry at camp.

Until all the children hear,

Jeremy Brown, Camp Director
