Good News Club is for everybody

Oh Yes, for young children as pictured below. But others want to be at club too; some parents and teens join in the activities and learn right along with the children. Good News Club® takes place on Tuesdays in Andover—thank you, Calvary Bible Church for providing time and space for the children. Club is also held on Thursdays in a home in Augusta, in a school in Sumner and at Camp Good News in Livermore Falls. The kids said, “Ahhh no way...why can’t we have club anyway?” when they learned next week there would be no club because school was closed for vacation.

A group of six diverse young children are shown from the chest up, all with their arms raised high in the air. They are smiling and appear to be in a joyful state. The children are wearing colorful clothing: a light blue shirt, a yellow shirt, an orange shirt, and a red shirt. A speech bubble is positioned above the group, containing text.

We love Good News Club. Can we have those signup papers for our friends?

**Faith comes by hearing
and hearing by the Word of God. Romans 10:17**

Kids need to hear the Word of God in a way they can understand and believe. This is our time to gain skill in making it clear for them.

Teach The Story! - Pastor Ryan Decker

From Creation to Consummation, the Bible tells one story. Biblical theology seeks to show how all parts of the Bible are part of one story which climaxes in Christ. This workshop will help us understand and teach Bible doctrines, principles and narratives as part of this one story.

Gospel Tool Box - What's In Yours?

We have many ways to illustrate the Gospel and other spiritual truth. Come and add to your skills and gather more tools. We will be giving some tools away; some will be available for sale.

Yes, you can take part in this too. If you have a favorite Gospel tool, object lesson or illustration, bring it along for "Show and Tell". There may be a prize for the best! ☺

Please Help Me Learn My Way -

We all have individual learning styles. Then some of us have special needs such as ADHD or Autism.

Hear from teachers and parents who will share helpful ways of communicating with children with these and other challenges..

Kids CAN Know God

But to know God at any age, we must penetrate spiritual darkness. It means entering conflict with enemy forces in the heavens. Come together with others who understand the battle and are in it with you.
