October 2023

Dear Friends and Family of CEF of Maine,

How time flies, it seems like I just wrote the September donor note and here it is October and I'm writing another. In Sunday School at church we have been studying the attributes of God. The last couple of weeks we have been talking about God's faithfulness. As we see the weeks and months and years go by, at times quicker than we would like, it is a time when we can recognize God's faithfulness. We give very little thought to the preciseness of the universe, but if we did we would realize that it is the faithful hand of God that keeps it all in check. Just if the rotation or orbit of the earth changed by just a few degrees it would have devastating effects on humanity. But God is faithful, He sets the times and the seasons, and we can rely on them.

We are also aware of and are thankful for your faithfulness to Child Evangelism Fellowship of Maine. Your faithful giving to the CEF of Maine state office, allows the state office to administratively support the work in our local chapters across the state.

Thank you once again for your generosity as we minister to the children of Maine. "Even so it is not the will of your Father who is in heaven that one of these little ones should perish" Matthew 18:14.

For the Children of Maine,

Michael G. Field

State Coordinator/Director
