

Kids Can Know God Conference - 2024

Teach Your Children Diligently

March 30, 2024, 8:30 am – 3:00 pm
Winter Street Baptist Church
32 Winter Street, Gardiner, ME

Because kids can know God, this conference is always geared to help teachers of children be clear in giving out God's Word. So this is for teachers, both inside and outside church programs.

This year we have a special emphasis. We want to encourage and give tools to parents and grandparents for teaching God's Word to children.
