Dear Friends of Camp Good News,

*“Train up a child in the way he should go;
even when he is old he will not depart from
it.” — Proverbs 22:6 (ESV)*

As we transition into the fall season, we at Camp Good News of Maine are filled with gratitude for the incredible summer we experienced—and it wouldn't have been possible without your support! This past summer, we welcomed children and teenagers from across the state, providing them with a fun, safe, and Christ-centered camp experience. Through your generosity, campers were able to enjoy a variety of activities, from swimming & chosen skill activities to games and Time in God's Word. Most importantly, many of these young hearts heard the Good News of Jesus Christ, with several making life-changing decisions to follow Him! Your prayers and financial support have played a vital role in these moments of transformation. Because of you, children who might otherwise never hear the gospel were able to encounter Jesus in a personal and powerful way. As we look ahead to fall & winter and eventually next summer, we are already excited about what God will do. We ask that you continue to keep Camp Good News in your prayers. Your ongoing partnership helps us not only to plan for next year but also to keep reaching young people with the hope and love of Christ. Thank you again for standing with us. We are deeply blessed by your faithfulness and generosity.

'Til every child hears,

Jeremy Brown
