Dear Friend of Camp Good News,

As we step into March, we are filled with gratitude for your faithful support and partnership in sharing the hope of the Gospel with children and teens. Because of your generosity, around 200 children and teens were able to attend our winter retreats — experiencing fellowship, fun, and the life-changing message of Jesus Christ.

*"Let us not grow weary of doing good, for in due season we will reap, if we do not give up." - Galatians 6:9*

Looking ahead, we have an exciting opportunity for the Said and Brown families as they prepare to attend the CEF International Conference in Asheville, NC, this May. This conference is a valuable time of equipping, encouragement, and vision for ministry. Each family needs to raise \$5,000, and we would be grateful for your prayers and any support you feel led to give as we take this important step.

Thank you for sowing seeds of faith through your prayers, gifts, and encouragement. We are excited to see all that God will do in the lives of campers this year, and we praise Him for the blessing you are to this ministry.

'til every child hears

Camp Director
