

CAMP GOOD NEWS

Update | February 2026

Dear Friend of *Camp Good News*®,

Thank you for your prayers and for your financial support. God has promised to meet our needs, as we go about His work, and He has faithfully done so through your generosity. Again, all of us here at *Camp Good News* are thankful for your partnership with us in this good work. And we are thankful that your partnership includes prayer.

In his second letter to the Thessalonians, Paul includes this exhortation: “Finally, brethren, pray for us, that the word of the Lord may run swiftly and be glorified, just as it is with you.” (2 Thessalonians 3:11, NKJV). The ESV Bible translates that verse in this way: “...that the word of the Lord may have free course...”

Throughout this winter, we have had the wonderful privilege of teaching God’s Word to campers, and to staff - to young and old alike. Your prayers are crucial in that effort. Our hearts desire is that God would mightily use His Word, especially in the lives of these children that are with us every weekend - that God’s Word would “run swiftly” into their hearts and minds, and have “free course” to accomplish all of God’s purposes for each one who hears.

Every weekend we have five chapels, one on Friday night, one on Saturday morning, one on Saturday night, one on Sunday morning and one on Sunday afternoon, just before everyone leaves for home. God has promised that His word would not return void.

We know that His will is for every child to hear and believe, please pray with us to that end.

Til Every Child Knows,

John Romano

Prayer and Praise

February 2026

*“Arise, cry out . . . Lift your hands to him
for the lives of your children.” Lamentation 2:19*

CAMP GOOD NEWS WINTER

- Praise for excellent winter retreats throughout January including our Teen Retreat. We have two left, plus two Blueberry retreats; please pray for the rest of the staff needed. CGN needs two girl counselors for Blitz #3 and two guy counselors for Blitz #4.
- Please pray for the health of our full-time staff as some of us are coming down with the sicknesses that have been going around.
- Please pray for one of our campers who ended up with a broken leg and will need surgery. Pray for complete healing.
- Please be in prayer as we learn the new CRM program that CEF of Maine has recently acquired; there is much to do in learning how to use it for our 2026 summer registrations. Please pray that it will be up and running by mid March!
- Pray for the upcoming Pastor and Men’s Leadership Retreat hosted here at Camp - March 19-20th.
- Overall we are praying with Paul in 2 Thessalonians 3:1 that God would work through His word in the lives of campers and staff alike.

SUMMER

- Please pray that God would provide the volunteer staff needed for this upcoming summer. We would like to have a couple more young men join our Summer Staff team.

GOOD NEWS CLUB

- Pray that the children who have been absent will return.
- Pray that children who do attend will grow in their faith.
- Praise for 16-17 children who attend regularly.

MAINTENANCE

- Praise for a good ice rink.
