Kelly Ayotte

"That the next generation might know them, the children yet unborn, and arise and tell them to their children, so that they should set their hope in God and not forget the works of God, but keep his commandments."
Psalm 78:6-7

Wisdom in Time

Spring is right around the corner and many of us are eager to get outside and enjoy the warmer weather. Lord willing, in the weeks and months ahead, plans for fun summer activities such as camping and gardening will come to fruition. I'm grateful that although winters can be difficult in this part of the country, spring is sure to follow the cold winter weather (Genesis 8:22).

However, as we reach the second coming of our Lord, times can also feel uncertain. We do know tragic events will take place before Jesus comes, but that we can rest assured in the truth that if we believe in the Lord Jesus, we will be saved (Acts 16:31).

I've been reminded over the past few weeks of the importance of using time wisely. Paul instructs us to be wise and make the best use of time because of evil (Eph. 5:15-16). It is as vital now as ever to evangelize children. We must be the ones to tell them of the truth that will save them. If we don't, then who will (Romans 10:14)?

In the Houlton Elementary *Good News Club*® last month, one young girl stated that she didn't attend church or Sunday School anywhere, but would like a Bible. Through that, we found out several other children did not have Bibles, so they all ended up receiving their very own!

Also last month, at an Allagash kids club that I was able to help with, the children of a family who does not attend church began to express interest in Jesus after hearing about God's compassion and mercy through the story of Jonah. Praise God!

One gospel presentation at a time, seeds are being planted all over Aroostook County. According to God's plan, these children will come to understand the gospel and believe on Jesus as their Savior. Let us use the time we have to continue planting.

Upcoming Ministries

Following the school year, there are additional opportunities to minister to children over the summer. If you would like to host or help with a *5-Day Club*®, serve in another capacity, receive information on *Christian Youth in Action*® at *Camp Good News*®, or have ways we could come alongside and serve you, please reach out!

Additionally, we will be holding the Northern Maine chapter's annual spring banquet next month! The flyer is on the next page if desired. We would love for you to join us!

Praise

We praise God for His sovereignty and that we can trust and rest in Him. He has made the way for these children to hear the gospel and is doing His work to change their hearts. We also thank God for those we get to labor alongside for the Kingdom.

Prayer

We would be grateful for your continued prayer for staff and volunteers as they pour into the children and that many children would believe on Jesus. We would also be grateful for prayer regarding the banquet next month, summer ministries, and the need of a local director. Thank you!

By His Grace,
Brittany Corey
Children's Ministry Coordinator
